Why an NPQSL?

Deepen your expertise at both an operational and strategic level, with evidence informed practice. The NPQSL provides you with a flexible set of tools to achieve growth and lead change across your educational setting, empowering you to:

- » **Respond** confidently and adapt to challenges within your setting
- » **Influence** your school's strategic direction and improvements roadmap
- » **Establish** an effective learning culture where staff and pupils can thrive.

“ I have found the programme very **effective and engaging**. The team behind this is **phenomenal**. They all have many years of experience and they are with you every step of the way with guidance and support. ”

Feedback from Aamir Kohli, NPQSL participant

Why study with EDT?

Our NPQSL has been developed by a team of in-house experts in collaboration with a national network of schools. We also work in partnership with Sheffield Hallam University's Institute of Education, and Evidence Based Education, ensuring our NPQs are infused with expertise and rooted in evidence.

98%

of participants who completed an NPQ with
us said they were **'satisfied'**
or **'very satisfied'**
with the course

From Cohort 1 Leadership End of Programme Survey

Our NPQs are...

- » Built for a teacher's timetable – designed to slot into your existing schedule, with a focus on accessible, bite-size online learning. Our national network of Delivery Partners ensure that you are never too far from a group that will suit your needs, led by local experts who provide training and one-to-one support.
- » Designed for immediate impact – put into practice what you learn with regular practical tasks. Apply new skills and try out new ideas in your own setting, based on the knowledge you gain each week.
- » *Free for state-funded schools – most participants are eligible for DfE scholarship funding and schools/organisations may also get targeted support. Self-funded and school funded options are also available. Eligibility is determined at DfE registration stage and no separate application is needed.

Experience the benefits

By enrolling on the NPQSL with EDT, you will:

Hone your leadership skills. Unlock the confidence and skills to implement initiatives that will generate lasting positive change across your setting.

Champion school-wide excellence. Gain a thorough understanding of school culture and the conditions which bring this culture to life. You will become instrumental in promoting quality teaching and improving behaviour.

Inspire future leaders. Improve your knowledge of professional development and organisational management, with the tools to ensure that teachers are supported by a culture of continuous improvement.

Develop evidence-based strategies. Our practices have been proven effective in teacher development, enabling you to make informed decisions and lead with confidence.

Build a network of peers. Connect with other educators who share similar goals, creating valuable professional networks on the programme and beyond.

“ I like the fact that the **learning is broken down into bite-size manageable chunks** and that there is something to relate back to the school after each session. The whole course has really made me think and reflect on my own practise and that of our school already. ”

Feedback from an NPQSL participant

We know that:

- » The most influential in-school factor for improving pupil outcomes is the quality of teaching.
- » The most effective way to improve the quality of teaching is through high-quality professional development.
